GOOD FOOD DONE RIGHT

LET'S EAT

We curate events for clients of all shapes and sizes, bringing the best cooking, freshest flavours and good times to unique and unusual spaces across the South West.

As the pioneers of Bristol's bustling street food market scene, we're creating a new flavour in events that says 'Sayonara' to traditional catering and puts street food at the heart of the party.

GOING THE EXTRA MILE

WHY BUOY?

We work with our clients to cook up a feast for the eyes and a riot on the tongue.

From putting together a killer mix of street food traders and finding the perfect venue, to bars, equipment hire and entertainment, our full-service production team takes care of everything and makes sure it all runs like clockwork on the day.

WHERE NEXT?

ABOUT BUOY

We're natural born food lovers and street food fanatics, who are at the heart of Bristol's thriving street food community.

Over the years, we've helped to build a platform for these passionate traders to share their wares and feed thousands of hungry people every week.

It's this fire-in-the-belly spirit that makes us ask '*Where next?*' every day.

Champions of good food, done right,
buoy takes this community of like-
minded makers from the street to
events across the South West.

THE BUOY WAY

We have a stop-at-nothing commitment to good food, done right, and expect every trader we partner with to share these values.

It means only the highest-quality street food that doesn't cost the earth or harm it, and that's always served with a smile.

FOOD

Always freshly made, locally sourced and super-tasty. No nasties, no cut corners.

SERVICE

Smiles all round, and only the highest standards from front of house to back.

APPEARANCE

Stalls, menus and signage that ooze professionalism and individuality.

VISION

No quick bucks. Just the best food in a progressive, good-for-everyone environment.
